School Council Projects

In 2014 the Northcote Primary School Council spent $62,000 of parent-raised funds on a variety of projects including:

- Turf extension
- Interactive whiteboards to enhance learning
- Hall seating, storage and play equipment
- Student Leadership program
- Meteorological equipment
- Garden re-development
- Purchase of readers and library books
- Sports tops for school teams

Ongoing projects approved by the council for 2015 include:

- Energy Efficiency programs
- Art Room renovations and enhancements
- First Aid room renovation
- Staffroom renovation to enhance professional development
- Continuing Garden redevelopment
