

Important dates term 1 2018

Prep students begin school on Tuesday 30th January. They will attend school on Tuesday, Wednesday, Thursday and Friday of their first week.

In the second week (week beginning 5th February), prep students do not attend on Wednesday or any Wednesday up to the end of week 5.

All prep students attend every day from week 6 (week beginning 5th March).

Your child will have an assessment scheduled on one of the Wednesdays when prep children do not come to school. Assessments will end in week 5. Prep students are assessed in literacy and numeracy. This usually takes about an hour. You will be given a time to return to pick up your child and the assessment and learning goals will then be discussed with you.

Looking forward to a wonderful prep Year in 2018.
