Greetings from Shaun

It's that time of year again, where illness rears its head and spreads through grades and cohorts like wildfire. A reminder that if your child is sick, or is displaying covid symptoms, please conduct a RAT test and keep your child home whilst they are unwell.

The school has also been heavily impacted by staff absences due to illness. Whilst we try to secure replacement teachers when this occurs, the education industry, like many other industries, has been severely impacted by workforce shortages and, consequently, we are facing difficulties in securing casual relief teachers. When this happens, there are times when a class is 'split' to other classes, usually within their own cohort. Thankfully, the small class sizes here at Northcote mean that we are able to do this whilst still maintaining manageable classes sizes. All year level classroom teachers undertake planning together and deliver a consistent teaching and learning program across the cohort so please be assured that when children are split to other grades, they continue on with the learning that they have been undertaking throughout the week.

Fundraising

Hopefully you will have all seen that the Community Sub-Committee has launched a pasta fundraiser to round out term 2 and to raise money for a new bike shed AND if we raise enough money, a new marimba set for the music room. If you don't know what a marimba is, I will give you a clue, its a musical instrument. For more clues, make sure you find Anita some time soon and ask!

If pasta isn't your thing, don't forget that the **Parents Battle of the Bands** is taking place this Thursday the 8th of June. Be quick though because tickets are selling fast.

If you've been to the Little Local recently for a morning coffee, you might have also noticed that we made the Northcote Social Gig Guide. The Nits may just become famous worldwide!

Student Attitude to School Survey

It's that time of year again when we provide our Year 4 – 6 students with the opportunity to provide feedback about their experience at school. The survey allows the students to share their feedback in the areas of learning, peer and social relationships, relationships with staff, along with mental health and wellbeing.

Later this year, when results come through, this data provides the school with important information about student perceptions of their school experience and points of future focus and growth.

We are aiming to complete the survey next week for our year 4-6 students. Please reach out if you have any questions about the data collection process.

Making our school a positive, respectful and safe environment

As we come towards the end of term 3, I wanted to reach out and thank you for your involvement in making our school a safe, inclusive and vibrant learning environment for our students.

I also wanted to take the opportunity to talk again about how we all share responsibility for making our school a positive, respectful and safe environment for our students to learn and thrive.

As adults, it's important that we take the time to periodically reflect on the school's *Statement of Values and School Philosophy* and consider how we can model our values for our students. The Statement of Values and School Philosophy is available on our school website, and in hard copy from the front office on request.

We expect all members of the school community to communicate politely and respectfully with all other members of the school community. Please remember that communicating directly with, or confronting another parent or child about concerns or perceived issues between children is not consistent with our school's values and expectations.

While we understand that every parent and carer wants to advocate for their child, in our experience as educators, direct confrontations and accusations rarely help to resolve the underlying issues. As children grow, they learn valuable social skills that will help them for the rest of their lives. It is common for young children to navigate occasional negative interactions, hurt feelings and changing friendship groups at school, and we are always here to help support them to develop and grow in these areas.

If you have any concerns about your child, please communicate with their classroom teacher in the first instance. You can also contact the office if you would like to arrange a time to speak with me.

Thank you all for partnership in supporting our students in their learning and in creating a positive and caring school community.

Shaun.

5/6 Camp to Lord Somers

Despite the chilly weather, the adventurous Grade 5/6s headed off to Lord Somers Camp for 3 days and 2 nights of indoor and outdoor action.

So, as you can see, the students had lots of fun in the sand, in the kitchen and on (or sometimes in) the water. Raft building, beach games, pizza making, initiative games, screen printing and SUP (Stand Up Paddleboarding) kept everyone busy during the day.

A trivia competition, dancing, a talent show, a joke competition, and a movie kept us all entertained after sunset. Homemade lasagne and homemade ice cream were a hit with most people on the second night.

All in all, Lord Somers Camp was a magnificent experience, filled with fun, laughter, sand, seaweed, shark eggs, fox holes, shivering, soggiess and a bit of Cotton Eye Joe and Nutbush!

Parents Battle of the Bands- Tickets are now LIVE!!!

Victorian Premiers' Reading Challenge

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge (PRC) is now open and Northcote Primary School is excited to be participating, because we are **WILD ABOUT READING!**

We **strongly encourage all students** to participate. As you know, reading helps our children build important literacy skills that they'll carry with them forever. Just as importantly, reading is a fun way to foster a lifelong love of learning. The challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books **by 8th September 2023**.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

With more than 12,000 titles on the reading list, there really is a book for everyone. Within our school library, 'challenge' books can be identified by a small sticker on the front cover. Also, our lovely **librarian**, Susi, will happily point these out to you.

When your child completes the PRC, they will receive a Certificate of Achievement signed by the Premier.

If your child would like to be involved in this year's challenge please:

Email: meagan.porter@education.vic.gov.au

Add subject: LET'S DO THIS – PRC!

Include: your child's name, grade level and teacher

Once you have registered, I will email you the login details for your child. You can then access the website portal and record book titles that are completed from now until September.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, please visit:

<https://www.vic.gov.au/premiers-reading-challenge>

Look forward to hearing from you, and in the meantime, happy reading!!!

Northcote High School needs Homestay Assistance

Full boarding homestay families are sought for International Students at Northcote High School

(For new International Students arriving in July 2023)

We are very excited to be welcoming International Students back to Victoria post the onset of the COVID Pandemic.

Northcote High School seeks quality homestays from our local community, to help care for new international student arrivals (Year 10-11 age group) in July 2023.

Our international students are mainly from Asian countries, such as China, Vietnam, Korea, Japan and Thailand and they will continue to complete their VCE studies with us in the following years.

Hosting International Students can bring a rich cross cultural experience and opportunity for families. Many local families already on board with the Northcote High School Homestay Program over the years, have enjoyed and benefited from the diverse cultural and language exchange experience, especially when they have school age children at home. The reverse experience for our International Students is very much part of their overseas study journey.

If you have a spare room and are willing to take care of a young international student please contact the International Student Office 9488 2334 (or General Office 9488 2300 or email jocelyn.hill@education.vic.gov.au) for more information.

Full boarding homestay fees are \$340 per week (tax free), which covers a fully furnished room, 3 healthy meals daily, laundry, household bills (including internet). Students are encouraged to participate in the normal household family chores and responsible for their own transport.

Compass Attendance

This is a gentle reminder to parents/carers, about the importance of logging student absences on Compass. This is a Department of Education requirement.

If your child is absent from school or is going to be absent in the future (for example a planned family holiday), it is important that this absence is logged via Compass.

Attached is a parent guide to using compass.

CSEF: Camps, Sports and Excursions Funds

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

Important Information

Our school gates are unlocked at 8.45am each morning to allow students to enter, the yard is not supervised before this time. Students can enter classrooms from 8.45am each day. The

gates are again locked at 9.00am when the bell goes. The gates are unlocked again at 3.20pm and are locked by 3.45pm.

Helmets

When riding a bike or scooter to or from school, all students **MUST** wear a helmet at all times.

Bikes and Scooters

Helmets must be worn on the way to and from school. Bikes and scooters must also be WALKED (not ridden) once inside the school.

Please note: bike and scooter storage is not completely secure. Unauthorised access via the external fences has occurred in the past. We highly recommend the use of a personal bike/scooter lock to avoid theft. The school takes no responsibility for the loss or damage of equipment stored on site.

Kiss and Go

Just a reminder to families that the Kiss & Go zone is a short-term stopping area where drivers are allowed to stop and park the vehicle for a **short time** – no longer than two minutes – while the student exits or enters the vehicle from the curbside doors. This enables students to walk between the car and the school, using the safety of the footpath.

Ball games before and after school

To ensure everyone feels safe during the busy mornings and afternoons, ball games are not permitted during these times.

Classroom Cuisine 2023

This is the current lunch menu from Classroom Cuisine. Lunch orders are delivered to NPS everyday, with the exception Tuesdays.

For our new families please note that this is an external lunch provider, all lunches are ordered online and orders should be placed by 8.30am.

Late Arrivals & Early Departures

If your child is late or you are collecting them early it is **essential** you do so through the front office. **All Students must be signed in and out** via the Compass Kiosk at the front desk. For late arrivals a paper slip will print out when they are signed in, this slip is to be given to the teacher so they know the student has signed in at the office.

Please note if you have put a Compass note in for a late arrival or early departure (for example you log on Compass that your child is being picked up at 1.30pm for a medical appointment) you do not need to sign them out via the Compass Kiosk at the office. However, **you still must come into the office to collect the student.**

The Department of Education requires a parent, carer, or listed emergency contact physically collect the child from the office when it is during school hours. This means we are **unable to allow students to leave on their own**, even if it has been logged on Compass. We understand this may be inconvenient at times so please contact or the office on 9481 0009 and they will do their best to assist you.

Also, if you know of an early departure in advance, please inform the office and your child's teacher, so they are able to have the student waiting and ready for you to collect.

Compass Pay for all school payments - Compass Pay at Northcote Primary School.

Compass Pay provides a more consistent approach to parent consent and payments of activities for students and confirm the student's medical requirements through the compass app.

Northcote Primary School has a streamline approach to the collection of payments for Camps, Excursions, Incursions, and the annual Parent Payment Arrangement, and fundraising activities.

This option allows parents/caregivers the opportunity to have all the information on one platform the Compass Parent App.

Cash, EFT and B-pay are available as options, the preferred method of payment is Compass. Compass creates efficiency for teachers and the office staff where immediately we will be able to see if parents/caregivers have consented and paid for the activity. Parents will receive a push notification from Compass when an activity has been created.

We have attached a copy of the Compass flyer on how to consent and pay for events.

All plans **must be updated annually**, one of our first aid team will contact you when your child's plan is approaching expiration.

NPS Medication Authority Form

Parents **must provide all necessary medications** to be administered in the event of an emergency.

Medications will be administered by one of our trained First Aid Team members.

All medication is to be stored in the First Aid Room, NOT in the student's bag or classroom.

Any medication being stored at/administered on school grounds requires a NPS 2023 Medication Authority Form. These forms are to be **updated at the start of each year** (even if there has been no change to medications). These can be filled out by parents/carers or by a GP.

This form **must** be filled out regardless of a student having a medical plan.

It must also be filled out for ongoing medication as well as temporary (for example, this form is required if a student is unwell and needs to be administered a course of antibiotics during school hours, as well as if a student requires a hay fever tablet only when symptoms arise).

Self-management of medication

Students in the early years will generally need supervision of their medication and other aspects of health care management. In line with their age and stage of development and capabilities, older students can take responsibility for their own health care. Self management should follow agreement by the student and their parent/carer, the school and the student's medical/health practitioner.
Please advise if this person's condition creates any difficulties with self management, for example, difficulty remembering to take medication at a specified time or difficulties coordinating equipment.

Monitoring effects of Medication

Please note: School staff do not monitor the effects of medication and will seek emergency medical assistance if concerned about a student's behaviour following medication.
